## WARRANTY

C.C. Publications' disks are warranted to be free of defects and faulty workmanship under normal use and service during the 90-day warranty period. If these disks fail to operate properly during the 90-day warranty period, C.C. Publications will replace this product at no additional charge. This warranty does not cover damages resulting from accident, disaster, misuse, or abuse.

Ninety-day warranty service may be obtained by mailing the defective disks with the Replacement Card to C.C. Publications, Inc., P.O. Box 23699, Tigard, OR, 97223. You agree to insure the disks or assume the risk of loss or damage in transit and to prepay shipping charges.

## BACK-UP DISKS

C.C. Publications, Inc. provides one back-up disk for each copy-protected software disk included in a program. To receive a back-up disk, send \$19 per disk and the Back-up Card within 90 days of receipt to C.C. Publications, Inc., P.O. Box 23699, Tigard, OR, 97223.

NOTE: C.C. PUBLICATIONS MUST RECEIVE YOUR PROOF OF PURCHASE CARD WITHIN 30 DAYS FROM THE DATE YOU RECEIVED THE PROGRAM IN ORDER TO SHIP EITHER A REPLACEMENT OR A BACK-UP DISK.

**For extended media life—  
here's how to take care of your flexible disk**

Precision surface.  
No fingers, please!

For your disk's sake  
(and the system's too)  
insert disk carefully.

Magnetic fields erase.  
Keep them far away.

Keep it safe—  
in the envelope  
when not in use.

Bending and folding  
may damage.  
Handle with care.

Keep disks comfortable.  
Store at: 10° to 50° C.  
50° to 125° F.

# INSTRUCTIONAL DESIGN Structure

## AYE, THE TREASURE...

**ISLAND!** is divided into seven sections, each one covering a complete topic. Users may reenter the program at the beginning of each one of these sections (see **EXIT AND REENTRY**). Thus, **ISLAND!** can be presented in seven individual segments, or it can be run in one sitting as a self-contained lesson.

| Objectives | Disk A                                   | Enter at frame: |
|------------|------------------------------------------|-----------------|
|            | Frames 1-9                               | 1               |
|            | Define "island"                          |                 |
|            | Learn compass points                     |                 |
|            | Select own island                        |                 |
|            | Frames 10-16                             | 10              |
|            | Read about naming of geographic features |                 |
|            | Name island                              |                 |
|            | Learn map-reading skills                 |                 |

|              |                                           |    |
|--------------|-------------------------------------------|----|
| Frames 17-20 | Identify landforms                        | 17 |
|              | Name landforms                            |    |
| Frames 21-26 | Identify bodies of water                  | 21 |
|              | Pinpoint bodies of water on map           |    |
|              | Name bodies of water                      |    |
| Frames 27-28 | Treasure Hunt                             | 27 |
| Disk B       |                                           |    |
| Frames 29-43 | Identify global regions and climate zones | 29 |
|              | Study conditions affecting climate        |    |
|              | Learn characteristics of climatic zones   |    |
|              | Locate island in one of the zones         |    |
| Frames 44-53 | Study latitude and longitude              | 44 |
|              | Apply concepts to map-reading             |    |
|              | Label continents and oceans               |    |
|              | Learn quadrant directions                 |    |
|              | Use directions to traverse island         |    |

# TECHNICAL INFORMATION & SYSTEM REQUIREMENTS

## GETTING ABOARD...

**ISLAND!** is a two-disk package with six reproducible worksheets. The software operates on Apple IIe, IIc, II+ (with 64K), and Franklin computers.
